HEALTH

“Live Proper Chiropractic is the best in the area. After seeing other Chiropractors my family and I found Dr. Luke. We have been with the practice for over a year now and we all have experienced great benefits from it. Dr. Luke is a great person and very personable. Our family will continue to see Dr. Luke for our Chiropractic needs!”
-Christina

APPOINTMENTS: We are currently having members schedule appointments through an The Scheduling App or on our website. Our staff can help you get set-up at your next visit. All you need is a cell phone.

We're very excited to continue utilizing this additional benefit in our office saving you time and helping to **MAKE HEALTH A REALITY!**
