

JULY 2026

Sun.	Mon.	Tue.	Wed.	Thu.	Fri.	Sat.
Chiropractic has helped me have a much better attitude. I love the way I feel when I leave the office. I believe in myself once again. What a great team. Thank you! - Christine M.			"The doctor of the future will give no medicine but will interest the patient in the care of the human frame, in diet, and in the cause and prevention of disease." -Thomas Edison
